Data Privacy; Data Governance; Digital Transformation

**INDEPENDENT PRIVACY EXPERT**

Cyrus Nchima Ndyamba is a Management Consultant in the field of Data Management, with focused expertise on Data Governance and Data Privacy. His undergraduate studies were in Information Technology (BSc IT), and further holds postgraduate qualifications in Project & Programme Management, Digital Business and Data Science, respectively. His career has seen him successfully manage the implementation of various Data Privacy projects for both public and private sectors, including the group-wide implementation of Data Privacy for geographically dispersed multi-nationals in the financial services and retail sectors, respectively. Cyrus further has vast experience heading up and establishing privacy functions and defining their associated operating models and has previously held the role of Head of Data Privacy Operationalisation. In addition to the experience already mentioned, Cyrus has also held the position of Head of Data and Analytics Governance, as well as that of Head of Regulatory programmes. Cyrus has extensive experience as a data privacy strategist and his outcomes-based approach to strategy execution has continually seen he and his team deliver on executive mandate
